ABC-TV's Extreme Makeover: Home Edition "Latif Family"

- Media Contacts: Aloysius Butler & Clark (AB&C)
Office: (302) 655-1552
Cell: (302) 275-1702
- All media must have credentials to be permitted on site. Media badges will be distributed at check-in and must be clearly displayed at all times. To obtain a media credential, all media must visit the Aloysius Butler & Clark (AB&C) Media Tent. At the tent, each media representative will need to show station/publication credentials and photo identification.
- For safety/liability reasons, ABC does not allow media on the "construction site." Photos and videos will be permitted in specified media locations. High-resolution photos are also available in the Press Room at www.AndersonExtreme.com.
- Due to the location of the build, it may be difficult to access the site. Please allow adequate time to arrive, park, check in and take the shuttle. For a map and directions to the build site and media tent, please visit the Press Room at www.AndersonExtreme.com.
- Advanced scheduling is highly recommended. Please contact AB&C to schedule interviews with the builder or designers.
- Interviews can be scheduled through the duration of the project. All interviews must be scheduled through Aloysius Butler & Clark.
- Please come to the media tent for photography instructions. We will assist you on live shots and special requests to park satellite trucks.
- Please keep in mind that safety is our top priority and that this is a closed construction build site. Please follow all safety guidelines and restrictions. Please note that open-toe-shoes are not permitted on the work site.
- For regular updates and photos, visit the Press Room at www.AndersonExtreme.com.
- Please be respectful of this family's personal information.

Media, volunteers and spectators are to park at Daniel S. Frawley Stadium. There will be shuttle service to take you to the build site.
