***Extreme Makeover: Home Edition* Wilmington Episode Airs March 30 on ABC**

WILMINGTON, DE—On March 30 at 8 p.m., millions of people across America will see the Latif Family episode of ABC’s *Extreme Makeover: Home Edition*. The one-hour show will feature the efforts of thousands of local volunteers, led by local builder Anderson Homes, who built the Latif and Morgan family homes in just seven days.

In early February, the lives of the Latif and Morgan families, who live in Wilmington, Del., were forever changed when they heard design team leader Ty Pennington’s famous “Good Morning” wake-up call. While Ju-Juanna Latif, her family and next-door neighbor Rose Morgan vacationed in Disney World, Anderson Homes, the design team and thousands of volunteers worked 24 hours a day to complete two new homes.

The evening of March 30 represents the first time viewers will be able to see the interior of the home. A special web site containing photos and other details of the Latif family build can be viewed at [www.AndersonExtreme.com](http://www.AndersonExtreme.com).
